

24th Congress of EHA - The European Hematology Association - Amsterdam, June 13 - 16, 2019

The EHA Annual Congress is a forum for original unpublished data, for sharing ideas about haematological innovation, as well as for disseminating evidence-based knowledge of primary clinical relevance.

Oncoletter - like a quick guide - provides you with a choice of some of the important clinical studies (*with links leading to the EHA abstracts*) presented at the 24th EHA in Amsterdam.

Looking for key topics presented at EHA24?

Or did you miss a topic discussed at the congress? Click on a section title below to see what topics are covered in the congress report:
